

The PEWTER COLLECTORS CLUB of AMERICA INC.

FOUNDED 1934 – INCORPORATED 1977

Free membership from the Pewter Collectors Club of America to students currently enrolled in a graduate program related to the decorative Arts.

The Student Initiative Committee of the Pewter Collectors Club of America (PCCA) is extending free membership to participants currently enrolled in a degree program related to the decorative arts for the duration of their academic program. Applicants will receive copies of our biannual bulletin and announcements for our regional and national meetings. The intent of the initiative is to encourage students enrolled in degree programs to develop an interest in the various aspects of pewter and to encourage future membership in the PCCA.

The Pewter Collectors Club of America is a non-profit organization for individuals, museums, and historical societies throughout the world interested in pewter made in America and elsewhere. Founded in 1934 and incorporated in 1977, the club encourages research, study, discussion, and the collecting of pewter in its many forms and styles (See attached brochure.).

Students desiring membership should send an email to edwmcmanus@hotmail.com with their contact information (name, mailing address and email), the name of their program and anticipated date of completion. The information will be forwarded to the PCCA membership committee.
